William Jessup University Notes:

1. Students should consult with Counselors to determine the most appropriate General Education patterns for their intended majors and transfer institutions. Contact the Office of Admissions at (916) 577-2222.
2. The WJU transfer curriculum articulation agreement represents the ideal curriculum for students wishing to transfer to WJU. WJU will accept IGETC for fulfillment of all lower division General Education requirements. The IGETC is a 37-39 unit general education program by which California community college students may fulfill all lower division general education requirements. Credit awarded will not exceed the number of units on their IGETC certification.
3. Students who have completed a minimum of 60 units and the IGETC will also satisfy 9 units of Bible and Theology and 6 units of upper division Foundational Studies courses at WJU which are required for a Bachelor Degree. The content of these courses at WJU represents a major portion of our distinctiveness as a university and are therefore required of all students who enroll.
4. Where the IGETC requirements for CSU/UC exceed WJU requirements, the extra units will transfer to meet other general education requirements.
5. Courses that meet CSU requirements for the listed categories will satisfy WJU requirements in similar categories.
6. Each course used to fulfill transfer requirements must be completed with minimum grades of "C-" or better.
7. Advanced placement exams and CLEP may be used to satisfy requirements. Check with the Office of the Registrar for AP and CLEP policies.
8. The above requirements apply to WJU programs. However, one may transfer a total of 64 units from a community college. Of these total units the following limits apply: Physical Education—4 units; Applied units such as music lessons or auto mechanics—8 units.
9. Students should consider planning lower division coursework to meet prerequisites for declared major and upper division requirements.
