

Ethan Palo Memorial Scholarship

William Jessup University is blessed by alumni and friends of the University who provide scholarships to help fund the education of eligible and deserving students. These distinguished scholarships are available to traditional program students who apply for and demonstrate qualification for the scholarship.

The Ethan Palo Memorial Scholarship has been created to memorialize Ethan Palo. Ethan was born in Sacramento on March 11, 1966. He was the youngest of four brothers. Ethan was quiet, gentle and a bit shy with a sense of humor. His interests were many and varied; including computer science and travel, however it was with competitive running that Ethan gained the most success and personal satisfaction. Beginning in Jr. High, Ethan began setting records. He led his high school in two cross country championships. His ability allowed him to compete at the national level. He was a member of the University of San Francisco Cross Country Team at the time of his death. Ethan died in an auto accident on October 23, 1988. The continuing contributions from his friends and family established this scholarship as a loving tribute to an esteemed young man who touched many lives in his short time.

The Ethan Palo Memorial Scholarship, in the amount of \$1,000, will be awarded for one year to one student who:

- 1) **Most clearly articulates the personal mission that God has uniquely given to him/her.**
