

Scott Hanson is a senior partner and founding principal of Hanson McClain Advisors, Inc. He is a nationally known financial expert identified as one of the 25 most influential people in the financial services industry nationwide by *Investment Advisor* magazine in 2005. He has been featured on Fox News and in *The Wall Street Journal*, *Kiplingers* and numerous industry publications.

Mr. Hanson will discuss the systemic issues in our financial system that contributed to the economic crisis. He will also address the current market and government response to that crisis and summarize some of the potential implications that might have for the future.
