Trout Derby Fish-A-Thon

Saturday, May 2nd 6AM-4PM

Our annual Fish-a-thon is a fantastic activity for anyone to partner with the University in aiding people and organizations around the world while enjoying the great outdoors and creating memories with friends and family. Everyone participating in the trout derby is eligible to participate in the fish-a-thon.

Our goal is to help the university raise at least \$5000.00 to help fund the 2009 University Missions Projects:

- **Cambodia-Service in partnership with AIM (Agape International Mission) and local churches to aid them in their efforts to end child sex trafficking in Cambodia;**
- **Belize-Service in partnership with PathLight Ministries an organization committed to providing education and resources to underprivileged and destitute people in Belize ;**
- **Tanzania-Service in partnership with Hope of the Nations to aid in bible schools for children and humanitarian relief.**

We hope that each person involved with the trout derby will participate in the fish-a-thon. If each participant raises \$100.00, we will achieve our goal. We're hoping to make this fish-a-thon a fantastic way to allow people to partner with us in our ministries, so the more contributions you raise, the more successful we'll be at achieving our goal. Thank you very much for your participation!
