

WILLIAM JESSUP UNIVERSITY

STUDENT VISA (I-20) REQUIREMENTS FOR ADMISSION

There are specific entrance requirements and procedures for international student applicants that may differ from an applicant who is a U.S. Citizen. The strength of the high-school equivalent program, the record of academic aptitude demonstrated by SAT or ACT results, the TOEFL results and questions on the application are important in determining admission. WJU applicants who submit academic records for coursework taken outside the United States must submit those records to any credential evaluator approved by the National Association of Credential Evaluation Services (NACES). To view a list of approved service providers, visit Credential Evaluator Services on the web at www.edupass.org/admissions/evaluation. The student is responsible for paying the credential evaluation and translation fees.

Carefully consider the following:

- **The TOEFL (Test of English as a Foreign Language) exam is required of all international students** and must be taken before acceptance to the university is granted. **NOTE:** You can be exempt from taking the TOEFL if you have completed at least 4 years of full-time study at a secondary or post-secondary level in which English was the language of instruction, and can provide a letter from the institution stating English is the primary language of instruction. If this is the case, then either you must submit the SAT or ACT instead, unless you are a college transfer with greater than 24 academic solid semester units completed. The TOEFL may still be required if SAT or ACT English language results prove insufficient.
- **On the TOEFL exam the minimum score requirement is a 500 on the paper-based test, a 173 on the computer-based test or a 61 on the internet based test (iBT).** Contact the TOEFL Service directly for testing information:

Princeton, NJ 08541-6151, USA	

- No U.S. government aid is available to foreign students, including student loans. However, you may qualify for WJU academic and athletic scholarships. **We do not offer full scholarships.** These scholarships are only partial awards and will not cover the entire cost of an education at WJU. You will be responsible for any remaining tuition, fees, room and board, books and supplies, and miscellaneous expenses. Please contact the Admissions Office for details about the applicable scholarships.
- You must provide official evidence of complete financial support for your annual cost of attendance (COA) at WJU. The annual COA is listed below. The official evidence that the funds are available must be shown by bank statements with the total amount in U.S. dollars and can be from more than one source.
- The U.S. "Affidavit of Support" (form I-134) is the most common form used for official evidence. Affidavit of Support forms may be requested from the WJU Admissions or Financial Aid Office. On this document, the sponsor must state the exact duration and amount of money or provisions the sponsor intends to provide, and the document must be officially witnessed or notarized. If you have more than one sponsor, you must provide an Affidavit of Support form for each.
- If the student's personal funds are going to be used to pay for all or a portion of their educational costs at WJU, then an official bank statement or certificate of deposit in U.S. dollars of those funds totaling one of the budgeted amounts below must be submitted to WJU.
- **IMPORTANT NOTICE:** Once the admissions requirements are completed and official documentation of complete and sufficient financial support for an I-20 are provided, the admission application will be submitted for consideration. If accepted, the student must pay a \$5,000 (US Dollars) enrollment deposit in order to reserve a spot and be eligible to register for classes. If the student cancels before starting classes, WJU will fully refund the \$5,000. Upon receipt of the enrollment deposit, an I-20 will be issued to the student. Each semester balance owed must be paid before starting classes or else be reported to INS.

ESTIMATED COST OF ATTENDANCE (COA) ACADEMIC YEAR 2008-2009

*NOTE: If you are coming to the U.S. with dependents, add \$2,000 for spouse and add \$1,000 per child.

	ON CAMPUS RESIDENCE HALL	OFF CAMPUS W/FAMILY NOT PAYING RENT	OFF CAMPUS PAYING RENT
Tuition	20,480.00	20,480.00	20,480.00
