ADMISSION PHILOSOPHY

As you may recall, the WJU vision is that our graduates will be transformed and will help redeem world culture by providing notable servant leadership; by enriching family, church and community life; and by serving with distinction in their chosen career. WJU seeks to select those students with a desire to return to our campus, who while at WJU, demonstrated strong academic ambition and promising potential, diverse interests, and a desire to support the values of the University.

The Application for Readmission is intended for use by a former WJU traditional undergraduate student who:

1. Withdrew from the university without filing an official Leave of Absence form through the Registrar's Office - **OR** -
2. Allowed the official Leave of Absence time parameter to lapse - **OR** -
3. Would like to return after one calendar year has elapsed subsequent to academic dismissal.

The reapplicant may apply for either the fall or spring semester. Criteria important to WJU in considering the reapplicant are:

1. You left WJU in good academic standing.
2. You can be cleared through Student Life.
3. Your student account was paid in full.

Should there be a question on any of these three criteria, we suggest you call the Registrar's Office, Student Life Office or the Business Office, respectively. If you left WJU due to either an academic or student life suspension, contact the

respective office to reconcile any reinstatement requirements. The Admission Office will also be communicating with these offices on your behalf. **NOTE:** If money is owed to any previous school, that balance must be paid in full and verified before you can be considered for admission back to WJU.

HOW TO APPLY *(For Reapplicants)*

The Traditional Undergraduate Admission Office begins taking applications on September 1 for the following fall or spring semester. The APPLICATION FOR READMISSION and all supporting documents, must be received for Fall admission, by April 1 (postmarked) and for Spring admission, by December 15 (postmarked).
